## Appendix A Definitions

<b>Sexual Violence</b>	In accordance with the <i>Ontario Career Colleges Act</i> , Sexual Violence is defined as any sexual act or act targeting a person’s sexuality, gender identity or gender expression, whether the act is physical or psychological in nature, that is committed, threatened, or attempted against a person without the person’s consent, and includes Sexual Assault, Sexual Harassment, stalking, indecent exposure, voyeurism, and sexual exploitation. For the purposes of this policy, Sexual Violence also includes acts of Sexual Violence committed online.
<b>Incident of Sexual Violence</b>	Includes any instance of Sexual Violence, including Sexual Harassment, Sexual Assault, and all associated definitions.
<b>Member(s) of the Hanson community</b>	Includes students, staff, contractors, visitors, guests, and committee members that represent Hanson International Education & Employment Services Ltd., whether they are on-site or off-site Hanson premises.
<b>Complainant</b>	A member of the Hanson community who has disclosed or reported an Incident of Sexual Violence.
<b>Respondent</b>	Someone against whom an allegation of Sexual Violence has been made.
<b>Sexual Harassment</b>	Includes (but is not limited to) engaging in a course of vexatious comments or conduct that is known or ought to be known to be unwelcome. Sexual Harassment also includes any sexual solicitation or advance made by a person in a position to confer, grant, or deny a benefit or advancement to the person where the person making the solicitation or advance knows or ought reasonably to know that it is unwelcome. Sexual Harassment also includes a reprisal for the rejection of a sexual solicitation or advance, where the reprisal is made or threatened by a person in a position to confer, grant, or deny a benefit or advancement to the person. For the purposes of this policy, Sexual Harassment includes Cyber Sexual Harassment.
<b>Sexual Assault</b>	Sexual assault is a criminal offence under the Criminal Code of Canada, and is defined as any form of sexual contact without a person’s Consent. Sexual Assault constitutes a range of behaviours that may involve the use of force, threats, or control towards an individual, from unwanted sexual touching to forced sexual intercourse; and can involve situations where sexual activity is obtained by someone abusing a position of trust, power, or authority.

### **Definition of 'Consent'**

As described in the Criminal Code of Canada, 'Consent' is the voluntary and explicit agreement to engage in the sexual activity in question. It is the act of willingly and consciously agreeing to engage in specific sexual behaviour, and requires that a person is able to freely and consciously choose between two options: yes and no. This means that there must be an understandable exchange of affirmative words between the parties involved; which indicates a willingness to participate in mutually agreed upon sexual activity.

In terms of what constitutes as a situation where **no consent is obtained**, the following must be understood:

- A person who is asleep, unconscious, or is otherwise unable to communicate, is incapable of giving consent.
- Consent cannot be obtained from a person who has been threatened or coerced (i.e. is not agreeing voluntarily) into engaging in sexual activity.
- A person who is not in a fully conscious state of mind, or who is under the influence of drugs or alcohol, is unable to give full consent.
- A person may be unable to give consent if he/she has a mental disability preventing them from fully understanding sexual acts.
- Consent that was given in the past to a sexual or dating relationship does not mean that consent is deemed to exist for all future sexual activity. Consent must be always be obtained.
- A person can withdraw consent at any time during the course of a sexual encounter.
- A person is incapable of giving consent to a person in a position of trust, power, or authority, such as:
  - A faculty member initiating a relationship with a student who he/she teaches;
  - An administrator initiating a relationship with anyone who reports to that position or is in a direct line of authority to that position.
- Consent to engage in sexual activity cannot be given on behalf of another person.

It is the responsibility of the initiator of sexual activity to ensure clear and affirmative responses are communicated at all stages of sexual engagement. It is also the initiator's responsibility to know if the person he/she is engaging with sexually is a minor under the Law.

**Age of Consent to Sexual Activity:** the age at which a person can legally consent to sexual activity. In Canada, children under 12 can never legally consent to sexual acts. 16 years old is the legal age of consent for sexual acts. There are variations on the age of consent for adolescents who are close in age between the ages of 12 and 16. More information can be found on [Age of Consent to Sexual Activity \(justice.gc.ca\)](http://justice.gc.ca)
